Subject: Follow up on potential formal consultation next week

Dear Mr. Steele:

I received your name and contact information from the Tribal Assistance Program here in EPA Region 8. I am following up to a letter that EPA sent to President Steele on June 30, 2016 regarding formal consultation on the proposed Dewey Burdock in-situ uranium recovery site. A copy of the letter is attached. We had suggested a formal government-to-government consultation with the President and the Council on either Monday, July 18, 2016 or Tuesday, July 19, 2016 but have not received confirmation on the President's availability. I would be available to come to your office on the morning of Tuesday, July 19th if that works for the President and the Council. Please let me know if the President has this meeting on his calendar, or if he would be available on July 19th so that we can make the appropriate travel arrangements.

I appreciate your assistance in this matter. Please feel free to contact me at 303-312-6392 if you have questions or would like to discuss this matter in more detail.

Sincerely,

Darcy O'Connor
